

Pallet Truck Stainless Steel

Stainless Steel Pallet Truck is designed for hygiene sensitive environments where the pallet truck will come into contact with corrosive substances such as salt water, acids and various chemicals.

Features

- Stainless steel and galvanized pallet truck are designed for environments where hygiene is paramount or where the pallet truck will come into contact with corrosive substances such as salt water, acids and various chemicals.
- It works in very low temperature conditions, e.g. to deliver goods into and out of cold stores, food processing, pharmaceutical and marine industries.
- Made of 100 stainless steel material and components of grade 304
- Hydraulic pump passed the strict test, has convenient design for repair or maintenance, and with high strength and durable chassis.
- extremely smooth and reliable
- High quality hydraulic pump

TECHNICAL PARAMETERS

Product Code	LESP	30685
Capacity	kg	3000
Minimum Fork Height	mm	85
Maximum Fork Height	mm	200
Maximum Lifting Height	mm	110
Fork Width	mm	685
Fork Length	mm	1220
Material	Stainless Steel 304	
Wheel Type	Nylon	
Approximate Weight	kg	73
