

Electric Wire Rope Hoist

- Longer Working Time, 3 time longer than normal hoist
- Motor No Overheat
- Much Lower Noise than normal hoist

Main Performance and Technical Specifications

Model LEPA 1000			
Load Capacity	500/1000 kg	Lifting Speed	510m/min
Voltage	200V-50Hz	Rating Current	10A
Insulating Grade	B	Work Level	M 1
Protecting Grade	Ip54	Input Power	2000W
Capacitance	70VF/450V	Work Rate	S3-20% 10min
Wire Rope	6.0mm	Machine Nw	31
Lifting Height	20/10m	Packing Size	54x22x31 cm
